

## Health & Research Journal

Vol 11, No 2 (2025)

Volume 11 Issue 2 April - June 2025

Volume 11 Issue 2 April - June 2025

### EDITORIAL

THE ANTIHYPERTENSIVE EFFECT OF PLANT FOODS

### RESEARCH ARTICLES

THE CORRELATION BETWEEN GRAM NEGATIVE INFECTION AND ICU -ACQUIRED WEAKNESS IN CRITICALLY ILL PATIENTS. A STUDY FROM GREECE

A SEX-RELATED, MULTIVARIABLE STATISTICAL ANALYSIS OF SCREEN-TIME USE IN RELATION TO DIETARY HABITS, AMONG GREEK YOUNG ADULTS: AN EPIDEMIOLOGICAL STUDY

EVALUATION OF THE EFFECTIVENESS OF POSTOPERATIVE ANALGESIA AFTER MAJOR ABDOMINAL SURGERY

EVALUATING POLYTRAUMA PATIENT OUTCOMES AND THEIR CORRELATION WITH TRAUMA SEVERITY

SUBJECTIVE WELL-BEING AND ITS DETERMINANTS IN A SAMPLE OF ADOLESCENTS IN GREECE

SLEEP QUALITY AND CIRCADIAN RHYTHM DISRUPTION IN CRITICALLY ILL PATIENTS IN INTENSIVE CARE UNIT

### SYSTEMIC REVIEW

THE EFFECTS OF PROBIOTICS, PREBIOTICS AND SYNBIOTICS ON INFECTIONS AND CLINICAL OUTCOMES IN CRITICAL ILLNESS: A SYSTEMATIC REVIEW

Published in cooperation with the Postgraduate Program "Intensive Care Units", the Hellenic Society of Nursing Research and Education and the Helergas

# Health and Research Journal

(peer review)

ISSN:2459-3192

International Journal of Research and Review in Health Sciences

Volume 11 Issue 2 April - June 2025
