Suppl. Fig. 1: a. A map of the Mediterranean showing the location of the sampling site in the Levant basin (white square). b. A map of the eastern Mediterranean (Levant sea) showing the locations of the sampling stations (0-8) along the Israeli coast. Station 0 was surveyed during the first sampling session (November 26, 2012), stations 1-8 during the second sampling session (June 1st-July 28th 2013).
