

REGIONAL INTEGRATION: POLITICS, ECONOMICS AND GOVERNANCE

Registration

To submit a new article, you will need to register with the Journal as an author.

To get started, click on the **Register** option at the top of the page. You will be redirected to the registration page where you will be asked to fill in your details.

The option of creating or connecting the ORCID iD shown at the top of the page is not necessary for your registration to the Journal. Authors with an **ORCID iD** can connect it and new journal publications will be automatically added to their and other contributors' ORCID. If you wish to create an **ORCID iD**, click on the link and follow the instructions provided.

In the pop-up form all fields marked with an asterisk (given name, family name, affiliation, country, email, username, password, repeat password) are required for the registration process. The username must include Latin characters and/or numbers written uniformly, without spaces. You will automatically register as a Reader and Writer.

The field for the role of Reviewers is filled only by the Reviewers of the Journal.

To complete your registration it is necessary to declare your agreement for **Personal Data** collection and storage by clicking on the relevant option at the bottom of the page. By pressing the **Register** button at the bottom of the page, the registration process is completed.

If you are already registered as Readers and want to submit an article, you will need to update your profile by adding the status of Author.
